

SCRUM Meeting #1 - 4/21/2022 @ 9:35am - 9:38am

Attending: *Alex and Jack*

9:35 - Alex: Yesterday, I worked in management. Today, I am working on file and url checking css. No blocks.

9:36 - Jack: Yesterday, I worked on backlog stuff and cleaning up stuff. Today I am working on more backlog stuff. No blocks.

---

SCRUM Meeting #2 - 4/25/2022 @ 9:13am - 9:17am

Attending: *Alex and Jack*

9:13 - Alex: Yesterday, I worked on css for the file and url checking pages. Today, I will work on ensuring buttons don't move each other when they enlarge on hover. I will also interview my expert today. No blocks.

9:15 - Jack: Yesterday I worked a little on finding an expert for my interview. To-day, I'll work on sending back more detailed data in the file check report, and will complete the expert report. No blocks.

---

SCRUM Meeting #3 - 4/27/2022 @ 9:24am - 9:26am

Attending: *Alex and Jack*

9:24 - Alex: I worked on the home page buttons. I plan to include a purpose statement on the home page. Furthermore, will include symbology, an idea from my expert panel, above the slider. No blocks.

9:25 - Jack: Worked on returning more information. Returns name and type. Changed results. Nothing to do today. No blocks.
