

SCRUM Meeting #1 - 4/13/2022 @ 9:10am

Attending: *All Members*

Alex: Working on file checker. Currently blocks in figuring out how to integrate with file checking

Jack: Finished up URL checks. Will work next on VirusTotal file checks. No blocks.

Frank: Worked on basic css for the font to make it look more visually appealing

---

SCRUM Meeting #2 - 4/18/2022 @ 9:15am

Attending: *Alex and Jack*

Alex: Finished the file checker. Had blocks, but now it works

Jack: Finished basic VirusTotal checks; will next work on the special procedure for large (over 32 megabytes) files. No blocks.

Frank: Worked on the css for the button on the home page and made them increase in size when hovered over

---

SCRUM Meeting #3 - 4/20/2022 @ 9:10am

Attending: *Alex and Jack*

Alex: Worked on the slider and made it vertically align in the center of the navbar . No blocks

Jack: Finished large VirusTotal; implemented DNS lookups and IP checks for URLs; polished for release. Nothing further to do on back-end. No blocks.
